Memo on the subject of the levy of octroi on certain additional articles in the Chemnapatna municipality

Sl 24

(1) Govt Sanctioned the levy of octroi on certain additional articles in the Chemnapatna Municipality and asked the Deputy Commr to state the date from which the duty would be levied and the establishment necessary to collect it.

Sl 36.

(2) The President submitted a Supplemental budget for the municipality, showing Rs 750 under receipts and Rs 360 under expenditure for collecting octroi duty

Ex cocoanuts @ Rs 100	
do — dry.	50
Kerosine oil —	200
Cloths —	400
Total Rs	750

Sl 38

(3) In Govt Pro Nr $\frac{5103}{129\ 97}$ dy 15-11-98, it was observed that the establishment [illegible]

bore the very high percentage
of 48 per on the
estimated amount and
the President was requested
to state why the duty of
collecting octroi tax should
not be entrusted to village
servants on payment of
5 per cent - (commission.

4) On this, the Deputy Sl 48
(Commr.) reported that
it was not possible to
carry on the collection work
without entertaining the
additional establishment
proposed in his former communication
5) The Govt. then observed that Sl 53.
if arrangements could
not be made to collect
the octroi without having
to spend such a high
percentage of the income
on collection, the levying
of the duty should be, merged
altogether
6) The Deputy Co[illegible]

now States that the Municipal Board of Chemmapatna have agreed to levy octroi the additional items of on tobacco and betel leaves, that a revenue of Rs 5'00 is expected by this levy of duty on these articles and that another sum of Rs 150 would be realized in the shape of octroi from the Villages of Mangalavanpet and Thattegere recently proposed to be included within the Municipal limits of Chemmapatna. Thus it will be seen that a sum of Rs 14 00 is expected to be realized by levy of octroi. The Deputy Commr now solicits Sanction to the entertainment of the establishment costing Rs 360 per annum which is about 25 percent of the total income

Sir,

With reference to correspondence ending with Government Proceedings No. 12211 dated the 27th April last, L-7129-97 on the subject of levying Octroi on certain articles in the Channapatna Municipality, I have the honor to state that as now proposed by the Vice President and agreed to by the Board, the annual expected income will be Rs 1400/- or Rs 650 in excess of the collections mentioned in my letter No. 1008 dated the 13th April 1899. Of this additional income, Rs 500/- are expected to accrue from the levy of Octroi on the additional items of tobacco, and betel leaves in which there is a large trade in Channapatna, and

and Rs 150/- from the Octroi collections
in the villages of Mangalavarpeta
and Thattekere, which are proposed
in my letter No. 123 dated the 8th August
1899, to be included in the Municipality
2. I enclose herein for reference,
a copy of the Municipal Board's reso-
-lution dated the 5th June 1899, and
request sanction to the Octroi estab-
-lishment which, as now calculated,
will cost about 25 per cent of
the total income. Even this is a high
ratio, but the cost is not capable
of further reduction, as the village
officials cannot undertake the col-
lection of Octroi in a town like
Channapatna.

Sir,

With reference to Government Proceedings No. L120-1 L 1 129 99 dated the 21th September 1899, sanctioning the retrenchment as a temporary measure, for a period of six months from the Channapatna municipality, I have the honour to forward, herewith, 2 — statements, in original, received from the Amildar of that taluk from which it will be seen that the reductions have been very few since the 1st October 1899, as the date on

in which the octroi tax was introduced.

2 Moreover, the cost of the establishment, on the total collections for the last 5 months (as will be seen from the statement enclosed), comes to about 13 3/4 P.C which is far below the original estimated amount. Further, the total collection for a year is expected to be Rs 2800/

3. I therefore request that the Government maybe pleased to sanction the permanent retention of the establishment alluded to above, to enable me to carry on the collection work in the said municipality.
